FINE HISTORICAL AMERICANA

A FIXED PRICE

CATALOG AND SALE

Enclosed is a special fixed price sale catalog, which is a follow up to my very successful December sale. This catalog is not being sent to my general mailing list, but rather as a special thank you only to those 150 or so customers who placed orders in the last sale (even if those orders were not successful), and also to a few dozen very good long term clients who for whatever reason did not respond in December. The total mailing should not exceed 200 copies.

Unlike my usual mail auction format, the items listed are offered at the prices quoted on a first-come, first-served basis. I would suggest that orders be placed by phone, since most persons receiving this catalog are active buyers of fine historical material. Phone orders may be placed anytime 24 hours a day. If my machine answers, please give your name, telephone number, and the numbers or descriptions of items you wish to purchase. I will return your call and confirm your order as soon as possible.

Unless otherwise described, items are in excellent condition. Extraneous marks or light reflections might appear on a few photos, and some color illustrations might have lines or a yellow or pink tint - hopefully not. Please feel free to call for additional details on any item.

Terms are cash or check upon confirmation of order. Budget payments of three monthly installments are allowed - please request this at time of order. Items will be shipped upon receipt of payment, with shipping charges to be quoted when orders are placed.

All items are guaranteed genuine and as described. Any item may be returned for a prompt refund if not as described.
